Please make sure that all children's files have all working emergency phone numbers. We must be able to contact you during the day in case of an emergency or if your child is ill.

Please make sure that your child's shot records and physicals are up to date. Also please make sure that we have a current copy of your child's insurance cards as well. These are state regulations.

Director's Note

Hello Families,

We have had a rocky start to the new year. Ole Man Winter has not been very nice. I do apologize for days the Center was closed or opened on a delay. Please know I do not make those decisions lightly as I know you depend on us so you can work. However, many of our staff do live on county roads or on hills that are not treated and I want staff to be able to commute safely, and we must have enough staff in attendance to care for the children.

Just a few reminders:

- Fees are due weekly. We rely on prompt payments from families to pay our vendors, purchase needed supplies, **and most importantly to pay our staff**. Accounts that are 2 weeks past due may be subject to suspension of childcare services.
- Families are given one vacation week per year; your account will not be charged for that week. You can let Bendie or I know when you would like to use that week. Other than your one vacation week per year, private pay families pay a weekly fee, this is to hold your child's spot.
- Sick Policy: If your child has a fever of 100.4 or higher, vomiting, diarrhea (3 diarrhea in one day), or a rash, your child will be sent home. Your child must be symptom free 24 hours before returning to care. If your child has had a fever, they must be fever free for 24 hours without using fever reducing medication.
- In the event the center would close due to weather, I will post on Procure, Kiwanis Families FB page, Kiwanis Day Care Center FB page, and WSAZ. Private pay families would be credited for the day the center closed due to weather conditions.
