# FUTURE FIRST RESPONDERS FAMILY FUN EVENT

Join us for a fun-filled day where our littlest community heroes get to shine! Children are invited to dress up as their favorite first responder and explore the exciting world of community helpers.

## Families will have the chance to:

- Interact with police cars, fire trucks, ambulances, and more
- Meet real first responders and learn about their important roles
- Discover helpful community resources
- Jump into the action with our bubbly **"Foam-the-Fire Fun Pit"** — a playful foam zone where kids can pretend to "put out the fire" while they splash, laugh, and explore

This event is designed for babies, toddlers, and young children to learn, play, and imagine themselves as the heroes of their community. We can't wait to see your little responders in action!
